

# Farewell Stirchley Community Centre

A sad. sad day for everyone  
No matter what the occasion  
Emotions run high when saying goodbye, but,  
You'll all meet again in a brand new location

Mel is a' mopping. T Dancers are bopping  
The toddlers are playing in the hall  
Stitchers are sewing, the place is just glowing  
No one wants to leave at all

David massaging, the staff are all charming  
Soccer Stars having a ball  
Nassar's children are chanting, makes you feel just like dancing  
The atmosphere a welcome to all

Shambuyi is preaching, Ghana Union are meeting  
And STELLA are laughing with glee  
Martial Arts is exciting, self defence is enlightening  
Then a break for a nice cup of tea

Table tennis balls pinging, they sound like their singing  
Shuttlecocks high in the air  
The Alliance are meeting and Pilgrims are eating  
Their cake - it's a private affair

New venues were found after shopping around  
Don't get too comfy that's all  
Groups are welcome back, there's no doubt about that  
The new centre means total recall
